PRESS RELEASE
December 4, 2014
Case #14-83201

On Thursday, December 4, 2014 at 3:55 a.m., the Lake County Sheriff's Office was dispatched to Five Points Country Store at 12868 Painesville-Warren Road in Leroy Township in reference to alarm activation.

Deputies arrived and found the front door of the business had been shattered. Upon closer observation, it was determined that the tool used to attempt entry had passed through the glass and was lying on the floor just inside the door. Entry was never made into the store. Video surveillance showed the suspect park a full sized crew cab truck in the roadway just south of the business and the lone suspect walked to the front door, with his face covered by a white cloth. The suspect was seen walking to the front door, and after shattering the glass which activated the alarm, the suspect ran off. Several items of evidence were secured for analysis. The video of the suspect and of the vehicle are very poor.

This case is still under investigation. Anyone having information is asked to contact the Lake County Sheriff's Office Detective Bureau at (440) 350-5521.
